DISCOVER THE NEW ETOBICOKE.

ETOBICOKE TOMORROW.

NEW ETOBICOKE CIVIC CENTRE.

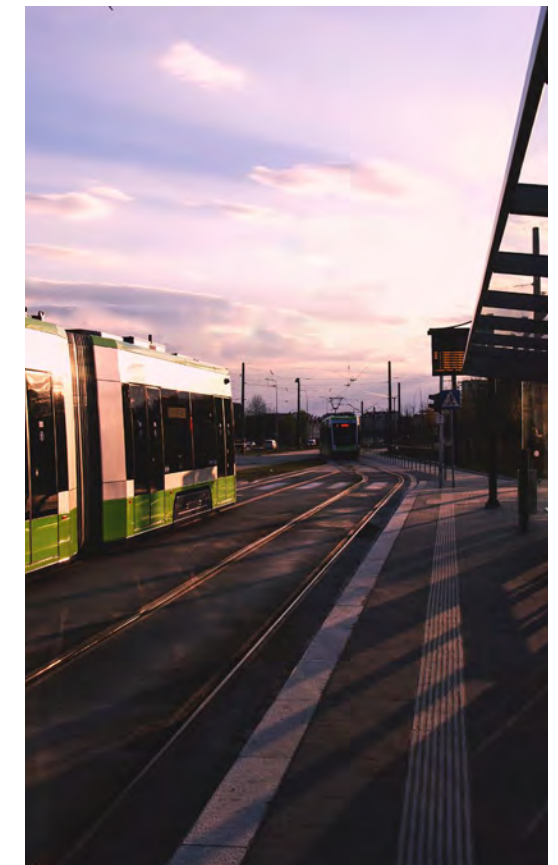

At Kipling and Dundas, a brand new Etobicoke Civic Centre is set to rise on the lands of the old Westwood Theatre. Encompassing 360,000 square feet, it will house city staff offices and council chambers, a library, art gallery, community recreation centre, and child care facilities – and be a showcase of sustainability.

KIPLING TRANSIT HUB. EVERYTHING UNDER ONE ROOF.

A modern new BRT line demands an equally up-to-date new subway station to provide seamless connections. It's under construction now by Metrolinx, on the site of the current Kipling subway station: the new Kipling Transit Hub.

Conceptual renderings of Etobicoke Civic Centre provided by City of Toronto. The Vendor shall not be liable or responsible for any warranties or representations made in terms of the creation and completion of any of the future proposed Etobicoke Civic Centre.
